Hon. Commissioner for Patents
Washington, D.C. 20231

Sir:

Attached are the Search Report and Written Opinion for a related foreign patent application PCT/US00/33760. The references listed in the Search Report and discussed in the Written Opinion were submitted for consideration on June 26, 2001.

This Information Disclosure Statement (IDS) is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully. As provided by 37 CFR §§ 1.97(g) and (h), no inference should be made that this IDS and the references listed on Form PTO-1449 are prior art or material to patentability merely because they have been submitted for consideration. Also no representation is being made that a search has been conducted or that this statement encompasses all possible material information.

Respectfully submitted,
